***"AN ACT IMPLEMENTING THE RECOMMENDATIONS OF THE
PROGRAM REVIEW AND INVESTIGATIONS COMMITTEE
CONCERNING THE CREATION OF A GOVERNANCE STRUCTURE
TO IMPLEMENT E-GOVERNMENT."***

1 Strike everything after the enacting clause and substitute the
2 following in lieu thereof:

3 "Section 1. Section 4d-12 of the general statutes is repealed and the
4 following is substituted in lieu thereof (*Effective October 1, 2013*):

5 (a) The Commissioner of Administrative Services may establish
6 such committees as he deems necessary to advise the commissioner in
7 carrying out the purposes of sections 4d-1 to 4d-5, inclusive, section
8 4d-7 and sections 4d-11 to 4d-14, inclusive.

9 (b) There is established an information and telecommunication
10 systems executive steering committee consisting of the following
11 members or their designees: The Commissioner of Administrative
12 Services [,] and the Secretary of the Office of Policy and Management [,]

13 the Comptroller, the Treasurer and the chairperson of the board of
14 trustees of each constituent unit of the state system of higher
15 education, or their designees] and not more than four other members
16 who are commissioners of an executive branch state agency, appointed
17 jointly by the Commissioner of Administrative Services and the
18 Secretary of the Office of Policy and Management. The Commissioner
19 of Administrative Services, or a designee, shall serve as chairperson of
20 the committee. The Department of Administrative Services shall serve
21 as staff to the committee. The committee shall (1) review and approve
22 or disapprove the annual information and telecommunication systems
23 strategic plan developed under section 4d-7, state agency estimates of
24 expenditure requirements for information and telecommunication
25 systems established under section 4d-11, and major telecommunication
26 initiatives, (2) review, in consultation with the Department of
27 Administrative Services, and approve or disapprove variances to (A)
28 the list of approved architectural components for information and
29 telecommunication systems for state agencies, (B) the strategic plan,
30 and (C) appropriations for information and telecommunication
31 systems, and (3) advise the Department of Administrative Services on
32 the organization and functions of the department in regards to
33 information and telecommunication systems. The committee shall
34 submit a report on each approved variance to the General Assembly,
35 in accordance with the provisions of section 11-4a. Such report shall
36 include the reasons for the variance and the results of a cost-benefit
37 analysis on the variance.

38 Sec. 2. Section 4d-14 of the general statutes is repealed and the
39 following is substituted in lieu thereof (*Effective October 1, 2013*):

40 (a) Not later than October first, annually, the Secretary of the Office
41 of Policy and Management shall submit to the Governor and the
42 General Assembly, in accordance with the provisions of section 11-4a,
43 (1) the updated strategic plan established under section 4d-7, and (2) a
44 report on the activities of the Department of Administrative Services
45 and cost savings and improvements in the efficiency of information
46 and telecommunication systems of state agencies, which are

47 attributable to the efforts of said department.

48 (b) Not later than October first, annually, the commissioner shall
 49 submit a report, in accordance with the provisions of section 11-4a, to
 50 the Secretary of the Office of Policy and Management, the Governor
 51 and the joint standing committees of the General Assembly having
 52 cognizance of matters relating to appropriations and the budgets of
 53 state agencies and government administration and the Legislative
 54 Program Review and Investigations Committee, (1) specifying the
 55 actual expenditures of each state agency for the last completed fiscal
 56 year for information and telecommunication systems, (2) identifying
 57 all technology projects on which the Division of Information
 58 Technology is working or that the division plans to undertake, (3)
 59 identifying the efforts of the Division of Information Technology and
 60 of executive branch state agencies to use e-government solutions to
 61 deliver state services and conduct state programs, including the
 62 feedback and demands of clients of such agencies received by such
 63 agencies and such agencies' plans to address client concerns by using
 64 online solutions, when determined feasible by such agencies, (4)
 65 specifying potential opportunities for increasing the efficiency or
 66 reducing the costs of the state's information and telecommunication
 67 systems, and [(4) including] (5) outlining a plan to realize such
 68 opportunities.

69 (c) Each state agency shall submit to the Commissioner of
 70 Administrative Services all plans, documents and other information
 71 requested by the commissioner for the development of the report
 72 described in subsection (b) of this section."

This act shall take effect as follows and shall amend the following sections:		
Section 1	October 1, 2013	4d-12
Sec. 2	October 1, 2013	4d-14
